HONDURAN MISSION GROUP

Honduras, the second poorest country in the Western Hemisphere, lies in Central America between Guatemala and Nicaragua, with coasts on both the Caribbean and Pacific Oceans. The vast majority of its people live in extreme poverty, and since most poor children do not attend school beyond the 3rd grade, the cycle of hardship and poverty is repeated for families through many generations.

Since 2003, Santa Maria de la Paz has sent groups of teens and adults to spend time (an average of more than one week) offering their word and fellowship to the children and the people of Missions in Honduras. Volunteers in the Honduran Mission Group who travel to the Honduras divide their time between working on the farm, at jobs requiring physical labor, at the clinic and girl's school, spending time with the

community, and praying with other volunteers and staff. The Honduran Mission Group is currently supporting its sister Parish, Santa Rosa de Lima and the Mary Poussepin Girls School in Guaimaca, Honduras.

The Honduran Mission Group planning committee meets monthly to help support the travel and work of the Mission Group each year. With the experience gained from past travel, the Mission Group is able to provide the volunteers with travel advice in preparation for the trip including materials and immunization requirements, passport application process, etc. Though the accommodations and meals in Honduras are simple, they are adequate. The planning committee also works on an annual fundraiser to help defray the expenses of those wishing to make the trip but may be experiencing financial hardship.

Please consider how you may be called to help the children of Honduras find a brighter future, whether by joining the Mission Group, helping with fundraising projects, donating supplies to be taken to the children, or sponsoring a child.

Please include our missionary efforts in your prayers...

Hearts for Honduras Run is held annually during the Labor Day Holiday.
